Advice to Mothers.

Mrs. Winelow's Scothing Straut should always be used when children are cutting teeth. It relieves the little sufferred once; it produces natural, quiet sleep, and the little cheruba wakesis "bright as a button." It is very pleasant to taste. It soothes the child, softens the guns, allays all pain, requisites the bowls, and is the best known remedy for diarrhosa, whether arising from teething or other causes. Twenty-five cents a bottle.

Croup Can Be Prevented.
